- (f) The provision of patrol boat cover, if any, is limited to such assistance, particularly in extreme weather conditions, as can practically be provided in the circumstances;
- (g) They are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather; that there is a crew sufficient in number, experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed, in date, and is familiar to the crew; and
